## About Us

Omitac Technology Limited, founded in 2018, a leading professional supplier and manufacturer of tactical equipment. Focused on exploring, engineering, manufacturing highest-quality, most ergonomic and innovative tactical products to the world-wide police, army, civilian, hunter use. Here shooting sports and outdoor products are our primary business segments. In addition, ODM or OEM project is also warmly welcomed.

Our team is always stand-by for you and constantly researching, refining and perfecting every detail to satisfy your requirements.

## About Our Products

Our products are designed for tactical training, hunting, police, military and civilian, the range, law enforcement agencies, personal defense, daily carry and open carry of any kind. including holsters, mag pouches, flashlight

holders, belts, gloves, backpacks and other tactical gear. Omitac products pass a strenuous series of tests conducted by overseas professionals and our QC team to ensure quality, reliability, and ease of use.

## About Our Factory

We have our own factories, equipped with advanced injection molding, spark eroding and milling machines, we guarantee sufficient productivity and high-end quality.
